

91110 CardioSentials®

Purpose: Promotes total heart health

Servings: 28

Directions: Mix one scoop daily with 6-8 oz. of water or other favorite beverage.

It has... (Features)	Which means... (Benefits)
A clinical study supporting product effectiveness and safety...	...it's proven effective! The study showed significant reduction in cholesterol, LDL (bad) cholesterol and glucose, while raising HDL (good) cholesterol and lowering triglycerides. It significantly decreased overall risk factors for heart disease.
1.5 grams of phytosterols, on track with the American Heart Association's recommendation of 1 to 2 grams daily to reduce heart disease risk...	...you'll be helping to block the absorption of cholesterol in the digestive tract to reduce total cholesterol levels.
Policosanol...	...you can reduce LDL cholesterol while raising HDL cholesterol, and improve coronary blood flow.
OptiBerry®, a patented blend of berry extracts with powerful antioxidant capabilities...	...you'll be helping to relax your arterial walls and keep blood flowing.
CoQ10, an important heart-protective antioxidant produced naturally in the body...	...it energizes heart function, reduces LDL cholesterol oxidation and supplements amounts that are diminished by age and the body's reaction to statin medication.
Gugulipid, a powerful herbal antioxidant...	...you can help maintain healthy levels of cholesterol and triglycerides and protect against hardening of the arteries.
